

Insure and Match Ventures (IM Ventures) is the implementing partner of the USAID Lebanon Investment Initiative (LII), a \$38M program designed to invest in and support a broad spectrum of businesses in Lebanon ranging from seed stage to growth phase.

Through the “Lebanon Investment Initiative” (LII), IM Ventures will provide and leverage investment capital and build supporting institutions to position Lebanon as an investment opportunity.

IM Ventures provides three investment components:

Matching Capital

Investment Insurance

Technical Assistance

The Save Our Startups (SOS) Fund is the first high-growth investment vehicle created by IM Ventures under USAID’s Lebanon Investment Initiative to support the startups and the overall investment ecosystem during the current economic crisis in Lebanon, targeting sustainable and scalable business models geared towards growth, increased employment, and more importantly export.
